One Community Transport

One Community Transport

One Community Transport is a not-for-profit organisation established to provide transport for community groups and charitable organisations. It operates a fleet of minibuses, some with tail-lifts and some with accessible ramps.

Who is eligible for the service?

Before you can hire a minibus, your group must become a registered member of One Community. Membership is subject to a modest annual fee. For further details of charges and the whole range of benefits available to One Community members (e.g. community development support, newsletter, room bookings, photocopying services and resource hire), contact One Community for a membership pack:

Tel 023 8090 2400

Email reception@1community.org.uk

Once your group is affiliated with One Community, you can start booking buses.

Hiring a minibus

One Community Transport minibuses are available to hire 365 days a year. Please call to check availability of buses for the dates you require.

For periods of hire in excess of one day, please phone to discuss minibus availability and day hire charges for the length of the hire.

Single booking and yearly booking forms are available on request.

All bookings must be confirmed in writing with passenger names and addresses provided before the trip date.

Hire charges

All groups using One Community Transport vehicles pay a mileage charge, which is invoiced on a monthly basis.

For up-to-date charges or to hire a minibus please contact the One Community Transport office:

Drivers

One Community Transport co-ordinates a pool of volunteer drivers, all of whom hold a *MiDAS certificate. In most cases we are able to provide a driver for groups and organisations. Unfortunately, this is not always possible, so you may wish to nominate your own driver for appropriate training.

Please contact the One Community Transport office to discuss *MiDAS training, availability and costs.

**MiDAS is the nationally recognised, Minibus Driver Awareness Scheme, which combines classroom-based learning with an observed drive.*

Volunteers

One Community Transport depends on its volunteer minibus drivers, and new drivers are always needed. Any time that you could offer would be very helpful.

MiDAS assessment and training is provided free of charge to volunteer drivers who wish to drive for One Community Transport.

If you would like to volunteer please contact:
