Madame Tussauds: On Friday 28th October 12 young carers enjoyed a fantastic day out to London. Due to the high demand unfortunately some of you missed out on the trip and we are hoping to run another Tussauds Trip early next year.

The weather was kind to us and the day was enjoyed by all, please see inside for photographs.

Madame Tussauds ☆

Who do you want to meet?

The day out to Madame Tussauds was full of fun, laughs and lots of pics. The wax works were so realistic which made it very exciting to have a picture taken with such famous and iconic people/characters.

After visiting Madame Tussauds we spent the afternoon in Regents Park and enjoyed an ice cream and some chill out time in the sunshine.

A big thank you to all of the Young Carers who came along for being extremely well behaved and a credit to the project!
